		Integrated Management System Policy	
Document #:	YOR-PLCY-00002	Revision:	B
Owners:	York Quality Systems Manager	Effective Date:	Nov 9, 2023

Maclean Power Systems in York, SC integrates the criteria, intention, and spirit of ISO:9001, ISO:14001 and ISO:45001. We use this to guide our continuous improvement efforts in the core focus areas of quality, environmental impact, and the safety and empowerment of our people. We can extract these 4 guiding principles:

1. We are committed to creating and maintaining a safe workplace with the involvement of our employees which is measured through setting objectives and monitoring KPI's.
2. We are committed to complying with all State, Federal, Legal and Industry Regulations and committed to lessening our environmental impact through reduction efforts to waste generation and energy consumption.
3. We are committed to being centered upon risk-based thinking; consistently and cross functionally reviewing and eliminating risks to the person, product, and environment using such tools as MOC and JSRA's.
4. We are committed to continuous improvement in all areas of Quality, Environmental Impact, and Safety Culture.

All these drive us toward our goal of Mission Zero: Zero Nonconformances, Zero Environmental Incidents, and Zero Workplace Illnesses or Injuries.

PERRY JOHNSON REGISTRARS, INC.
